Chief Scout's Diamond Award: International, Community & Values (ICV) List

Complete four activities from the International, Community and Values (ICV) list. This should include at least one from each area of the list and can include the activities completed for the International, Community and Values list as part of the Chief Scout's Platinum Award.

The ICV list is designed with flexibility in mind. This flexibility enables you to individually shape your award, and push yourself to develop in areas that you enjoy and are passionate about. You will be able to develop your skills, be proud of what you have achieved and most of all, enjoy yourself.

International

This section is all about exploration – both around global issues and taking part in international opportunities.

- Complete a 7 day Expedition in the UK with similar aims to those of the Explorer Belt.
- Take an active part in a project with an international development organisation. Present your experience to your Unit, Scout Network, or relevant audience, such as another section.
- Take an active part in an International Camp in the United Kingdom.
- Take part in a project at a campsite abroad, such as Kandersteg.
- Organise a series of 4 evening programmes for your Unit on an international theme agreed with your mentor.
- Organise a series of 4 evening programmes for another section on an international theme agreed with your mentor.
- Complete any activity of a similar nature agreed beforehand, and registered with your mentor.

Community

This section is all about you developing your knowledge and skills, and putting them into practice to make a real difference and impact on your local community.

- Research and participate in an environmental or community based project to make an improvement in your local environment or community. This could be within Scouting or another organisation. Present your experience to your Unit or Scout Network.
- Work with a younger section to help them achieve a stage of their Community Impact Staged Activity badge, or their Environmental Conservation Activity Badge.
- Complete the requirements to achieve the Community Impact Staged Activity Badge - Stage 3 or 4.
- Complete the Scouts of the World Award
- Complete any activity of a similar nature agreed beforehand, and registered with your mentor.

Values

This section is all about you reflecting upon your own and others beliefs and exploring what the Scouting Values mean to you.

- Take a regular part in spiritual reflection, this could be within or outside of scouting, for example at a place of worship.
- Take an active part in a project examining your own faith or beliefs and understanding how they do or have impacted upon you. Discuss your experience with your mentor/present your experience to a relevant audience.
- Work with a younger section in gaining their Faith Activity badge (Beavers), My Faith Activity badge (Cubs and Scouts) or World Faith Activity badge (Cubs and Scouts).
- Run an activity with another section, to explore the Promise and how they live by their Promise. Reflect on how you live by your Promise, and discuss with your mentor.
- Organise a series of 4 evening activities for your Unit or another section to explore different faiths and beliefs.
- Complete the Scouts of the World Award
- Complete any activity of a similar nature agreed beforehand, and registered with your mentor.

Guidance notes

Below you will find some practical ideas, guidance and examples for each section of the ICV list.

Scouting helps you to develop you as an individual and give you skills for life. Take time to reflect on how each activity helps you both in and outside of Scouting; make use the [Get Ahead: Scouting and Employability](#) resource to do this.

If you are a Network member, use ukscoutnetwork.org.uk to search for local and national projects to get involved in that cover elements of the ICV list.

International

- For support and guidance on running sessions on international, see the [Global Programme Ideas](#).
- Check out the latest international opportunities [here](#).

Community

- Use the [A Million Hands](#) resources to learn more about our charity partners; plan and develop a project. You could do this as an individual project or organise and lead for your or another unit.

- Help develop a new project or become actively involved in implementing an existing plan to promote local Scouting. Talk to your local Commissioners to understand what is already happening.
- Understand how Scouting in your area could become more inclusive, work with others to create an action plan and make changes to ensure Scouting really is for all.
- Use the Refugee Response Resource to explore the topic of refugees with a younger section, and support them to plan and take action, as part of their Community Impact Staged Activity badge or World Challenge Award. Download the resource [here](#).

Values

- For support and ideas around spiritual development, see the Rise to the Challenge: Exploring Spiritual Development in Scouting resource. This resource is available from Scout Shops, or can be downloaded [here](#).
- Running a Scouts Own would provide a great opportunity to incorporate spiritual reflection, and explore a particular topic, like faiths and beliefs, or Scouting Values.

This list was updated in January 2017, following feedback from Members and consultation. This included a change in the name of the list, from International Environment and Values (IEV), to International Community and Values (ICV).
