

Explorers this week – 28/04/2019

Hi

This week at Explorers is jam packed, find out below what your group is up to. Young Leaders is also back this week doing Module A, this is a mandatory module for all Explorers that have just become or would like to be a Young Leader so please let us know if you would like to attend.

Thank you to all who attended the St George's day activity day.

A couple of the Leader team took a trip to check out the Explorer Summer camp location and activities. We plan to go to Buddens Scout Centre on the south coast, so we'll be spending a day on the beach, hiking through the hills and cliffs, taking part in water sports and checking out the brand new climbing and aerial tower at the campsite opening this season. There are still some spaces left please sign up soon or drop us an email so not to miss out.

See you soon,

The Explorer Leadership Team
